LIST OF FIGURES .................................................................................................................... v
I. EXECUTIVE SUMMARY ........................................................................................................ 1
II. INTRODUCTION ................................................................................................................... 3
III. TECHNICAL NOTES ............................................................................................................ 5
IV. CANCER INCIDENCE .......................................................................................................... 8
V. CANCER CASES AND DEATHS BY RANK ....................................................................... 13
VI. STAGE AT DIAGNOSIS ..................................................................................................... 16
VII. CANCER MORTALITY ...................................................................................................... 18
VIII. YEARS OF POTENTIAL LIFE LOST ............................................................................... 23
IX. AVERAGE YEARS OF LIFE LOST .................................................................................... 25
X. SELECTED CANCER SITES INCIDENCE AND MORTALITY ........................................... 27
    Bladder .............................................................................................................................. 28
    Breast (Female) ............................................................................................................... 30
    Cervix Uteri ....................................................................................................................... 32
    Colorectal ......................................................................................................................... 34
    Corpus and Uterus .......................................................................................................... 36
    Kidney and Renal Pelvis .................................................................................................. 38
    Leukemia ........................................................................................................................... 40
    Lung and Bronchus ......................................................................................................... 42
    Melanoma (Skin) ............................................................................................................. 44
    Myeloma ............................................................................................................................ 46
    Non-Hodgkin’s Lymphoma ............................................................................................. 48
    Ovary ................................................................................................................................... 50
    Pancreas ............................................................................................................................ 52
    Prostate ............................................................................................................................. 54
    Stomach ............................................................................................................................. 56
    Thyroid ............................................................................................................................... 58
XI. APPENDICES
    Appendix B: 2006-2015 South Dakota Estimated Population ........................................... 60
    Appendix C: Race in South Dakota by County, 2015 Estimated Population ................. 61
    Appendix D: SEER Incidence Site Analysis Categories ...................................................... 62-64
    Appendix E: SEER Cancer Cause of Death Analysis Categories ................................... 65-66
REFERENCES ........................................................................................................................ 67
LIST OF TABLES

Table 1: Cancer Cases and Incidence Rates by County, South Dakota, 2015 and 2011-2015 Average.................................................................................................................................................. 8
Table 2: Age-adjusted Incidence Rates by County for Selected Sites, 2015.................................................. 9
Table 3: Age-adjusted Incidence Rates by Site, Gender, and Race, South Dakota, 2015.............. 10
Table 4: Percentage of Selected Cancers by Age Groups in South Dakota, 2015............... 12
Table 5: South Dakota Stage at Diagnosis, All Cases, 2015................................................................. 16
Table 6: Stage at Diagnosis for Selected Sites by Race, South Dakota, 2015................................. 17
Table 7: Cancer Mortality and Rates by County, South Dakota, 2015 and 2011-2015 .......... 18
Table 8: Age-adjusted Mortality Rates by County for Selected Sites, South Dakota, 2015... 19
Table 9: Age-adjusted Mortality Rates by Site, Gender, and Race, South Dakota, 2015....... 20
Table 10: Percentage of Cancer Deaths by Age Groups and Selected Primary Sites, South Dakota, 2015 ................................................................................................................................. 22
Table 11: Leading Causes of Years of Potential Life Lost (to age 75), South Dakota, 2015.... 23
Table 12: Bladder Incidence and Mortality Summary, 2015................................................................. 28
Table 13: Breast (Female) Incidence and Mortality Summary, 2015.................................................... 30
Table 14: Cervix Uteri Incidence and Mortality Summary, 2015......................................................... 32
Table 15: Colorectal Incidence and Mortality Summary, 2015 ........................................................... 34
Table 16: Corpus and Uterus, NOS Incidence and Mortality Summary, 2015......................... 36
Table 17: Kidney and Renal Pelvis Incidence and Mortality Summary, 2015.......................... 38
Table 18: Leukemia Incidence and Mortality Summary, 2015 ......................................................... 40
Table 19: Lung and Bronchus Incidence and Mortality Summary, 2015 ........................................ 42
