What is All Women Count?

AWC! is a program designed to help women get timely breast and cervical cancer screenings.
Who Is Eligible?

There are only two requirements for the AWC! program:

- Age:
  - South Dakota women ages 30-64
    - Women 30-64 can receive a clinical breast exam and cervical screening services
    - Women 40-64 are also eligible for a screening mammogram

- Income:
  - 200% Federal Poverty Level. For 2021, that’s $495/wk for a single woman
  - Updated every calendar year
What If She’s Insured?

- Insured status is NOT a factor in qualifying for AWC!
- If she has insurance, AWC! will act as secondary insurance for covered services only.
Do We Need Proof of Her Income?

• **NO.** We do not require proof of income for the AWC! program.

• We only ask that you look at the income the patient reported on her enrollment form and compare it to the income chart.
Covered services:

• Office visit for women 30-64
• Cervical cancer screening for women 30-64:
  • *Pap testing alone every 3 years*
  • *Co-testing: combination of pap testing with HPV testing every 5 years*
  • *Primary HPV testing every 5 years*

• Breast cancer screening for women 40-64:
  • Screening mammogram for women 40-64*
  • *Pre-authorization is necessary for any woman age 30-39 for a mammogram and allowed only if she has an abnormal clinical breast exam that is suspicious for cancer or has a first degree relative ever diagnosed with breast cancer. Please call 1-800-738-2301 and ask for All Women Count!*
  • Reminder: 50-64 is the priority population
Additional covered services:

• Cervical cancer diagnostic services:
  • Cervical biopsies
  • Colposcopy
  • LEEP
  • Cone

• Breast cancer diagnostic services:
  • Diagnostic mammograms
  • Breast Ultrasounds
  • Breast Biopsies
Screening MRI:

Screening MRI for High Risk women only

- Pre-authorization required
- Case by case basis
- Documentation may be requested
- AWC! Staff will consult with Breast Medical Advisor on each case
- *In conjunction with screening mammogram*
Services not covered:

- Diagnostic Breast MRI
- BRCA Testing
- HIV & STD Testing
- Pelvic/transvaginal ultrasound
- PET scan
- Pregnancy Test
- Vaginal cultures
- Vaginal or vulvar biopsy
- Wet mount
- X-rays
- Blood draws (i.e. cholesterol, glucose, creatine, thyroid)
Completing the Enrollment Form

- Place an encounter sticker on the top right of the purple form.
- Confirm that the patient is age 30-64 for cervical screening or 40-64 for breast screening.
- Review the patient’s answers to total household income and total number of people living in the household (Questions 15 and 16) to see if she qualifies.
- Make sure all questions have been answered.
- Confirm that she has signed the bottom of the page.
• Review her chart for the date of her last smear and enter it under Question 23.
  – Her most recent PAP needs to be at least three years ago for coverage. DO NOT LEAVE THIS BLANK.
