

The South Dakota Cancer Registry (SDCR) has achieved national recognition from CDC's National Program of Cancer Registries as a Registry of Distinction and the Gold Standard Certification from the North American Association of Central Cancer Registries for the 2019 Call for Data. Certification measures for excellence in the areas of completeness of case ascertainment, quality of data, and timeliness. In conjunction with the achievement, South Dakota cancer data has been published in the *Cancer in North America 2012-2016* which can be found at <https://www.naaccr.org/wp-content/uploads/2019/05/CINA2018.v1.combined-incidence-2.pdf> and the newly released *United States Cancer Statistics* <https://www.cdc.gov/cancer/npcr/uscs/>
